PRESIDENTS REPORT

Dear Club members, players, and supporters,

As the President of SSCA , I would like to extend my thanks to everyone who contributed to a successful season and congratulate Premiers & Runners-Up, individual trophy winners and our successful Martin Shield representative team.

The season was not without its challenges and it is a credit to the club committees, team captains & players for adapting and having a successful, and hopefully enjoyable, season .

Everyone is aware that competitions do not just happen or run themselves, requiring a lot of time and effort by a dedicated team and I would like to thank the SSCA committee for their commitment in volunteering their expertise, time and resources to manage operation of the competitions and deal with all the behind-the-scenes issues and requirements involved. Thank you, Michael, Allan, Andrea, Warren, Col, Matt, Mitch, and Dwayne. Special thanks go to Mitch Ready and Dwayne Cocks for coordinating and leading the Martin Shield team.

I would also like to thank the Club committees who take on the responsibilities of organising their individual clubs and players, another commitment that should not be underestimated.

These combined efforts, together with the support of the Junior Association, Grade Club and Umpires Association allows teams to get on the park each week so our players can have the enjoyment of playing a game of cricket and spending time with friends each week.

While we reflect on the 2023/24 season, we also look forward to the future. Let's continue working to build a strong, united association that thrives both on and off the field.

Regards

Kevin McGrath
President

Sutherland Shire Cricket Association.

SECRETARY'S REPORT

PlayHQ Season 2 and once again we encountered several 'glitches and shortcomings with the platform. We had several meetings and correspondence with the CNSW / CA teams to address the problems.

Thanks to President Kevin McGrath for his invaluable input in once again setting up the competitions and ladders for the 2023/24 season. Without his ability to reconfigure the competitions after there was a team withdrawal at the conclusion of round 3 and significant changes to the original competitions. The transition to have all competitions operating for round 4 would not have eventuated without Kevin's expertise with PlayHQ

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.
Special mention Allan Lofthouse for his diligence in preparing Match Reports after each round.

As PlayHQ is the only source we have for recording results and player statistics for the Annual Report as well as awarding trophies.
There are still far too many matches where statistics are either not recorded or are

incomplete. For all those who are tasked with recording match results and player statistics please be more diligent.

Once again, this season, we have worked with Sutherland Shire Council to carry out necessary ground improvements as part of the ongoing plans in conjunction with the SSJCA. Thank you to the support and assistance provided by the team at Council's Sport and Leisure Services.

Many thanks to Roy Amos for continuing to facilitate the Sutherland Cricket Council's objectives. The Council continues to work as an umbrella committee facilitating liaison with Sutherland Shire Council particularly in relation to the many and varied Master Plans that are being presented to Council.

Thank you to Kookaburra Sports Group for their generous sponsorship.

Congratulations to the SSCA Martin Shield team being joint Premiers.

Congratulations to all premiership winning teams and individual award winners.

The schedule for Season 2024/25 is published earlier in this Annual Report.

Michael Mooney

SSCA RECORDER AND COMPETITION MANAGER'S REPORT

Season 2023/24 of the SSCA Competitions got underway with the second season of the PLAYHQ Format that was (somewhat) successfully introduced in the previous season.

First, as the SSCA Honorary Recorder & Competition Manager, I would like to thank all the SSCA Management Committee for their undying assistance throughout the current season.

I would also like to show my appreciation to all the members of the SSCA Affiliated Clubs, both Committee & Players, who have made this season a success.

Also, to the SSCUA for their assistance throughout the season.

To the Sutherland Shire Council thanks go to them for the grounds on which everyone participates on.

To Kookaburra, thanks for their generous & ongoing sponsorship.

The season's registrations initially got under-way with the nomination of 41 teams, & after late registrations, 773 nominated players in 9 grades. HOWEVER, & after round 3 of the competitions, it was necessary to have a (total) regrade of all the grades due to team having to pull out of one of the grades.

The competitions were reduced to 8 grades of 5 team competitions.

The PLAYHQ format has appeared to be (nominally) successful, & with a few minor glitches that saw the registration processes carried out successfully.

However, there were quite a few teams that failed to abide by the processes of correctly recording full & accurate match details/stats, & that will see quite a few players missing out on SSCA Team/SSCA Awards/Club Awards.

Congratulations to all those teams that were successful in the SSCA Semi-Finals matches & the SSCA Grand finals matches. The results of these matches will be published elsewhere in this end of year document.

Congratulations to the individual award winners that were lucky enough to qualify.

Unfortunately, there were a number of forfeitures, duty failures & late match results that had to be penalised. The Clubs & their teams/players are to be fully conversant with all the current "RULES" that govern the SSCA matches each season, & to avoid these inherent penalties.

It is hoped that the upcoming 2024/25 SSCA cricket season can be as successful as those in past seasons. It is also hoped that the numbers of teams & players can see a marked increase in the SSCA competitions.

Thank you & kind regards,

Allan Lofthouse
